

PACKAGING SOLUTIONS

FLIP LITE

Dispensing Closure

Flip Lite is a one-piece closure ideal for dispensing dressings, sauces, syrups and condiments. The lightweight closure has an approximate 15% reduction in weight compared to standard 28mm flip-tops. Its durable design with robust hinge enables quick, mess-free dispensing and a secure reseal to ensure a positive consumer experience. **Contact TricorBraun for the available supply of this closure, today!**
