

PACKAGING SOLUTIONS

# HALO

Multi-Stream™ Closure

TricorBraun is your **One-Stop-Shop** for closures. We deliver consumer-preferred packaging solutions to help you win.

Our convenient Halo Multi-Stream™ Closure is now available as a stock component. The Halo Multi-Stream™ Closure quickly covers a larger surface area compared to competitive multi-orifice push-pull options. Samples are available upon request. **Contact us today to get started!**

## FEATURES & BENEFITS

Multi-stream, push-pull nozzle

28-400 neck finish

### Effective for low-viscosity product formulations

Induction seal compatible (Crab Claw seal)

Spray pattern differentiates by dispensing in radial pattern to cover large surface area

### Halo Multi-Stream Spray Pattern

### Competing Product Spray Pattern
